### **Gymnastics with Miss Olivia**

This September will mark the start of an exciting new program here at Precious Memories Preschool of Sandy Hollow. At least one time per week, Miss Olivia will be sharing gymnastic/dance skills with the children. Please read below for additional information.

Hello! My name is Miss Olivia and I am a teacher here at PMP of Sandy Hollow. I was a competitive gymnast for 11 years. During my gymnastics career I placed top 7 in the state and was able to represent Connecticut at the regional level. For the past 12 years I have coached at both the recreational and competitive level. I am United States of America Gymnastics certified as a professional coach, safe sport certified, and certified in CPR and First Aid. I also receive yearly training at USA Gymnastics Congress where I am taught new training techniques and ways to keep gymnastics fun and inviting for everyone. I am so excited to share my passion with your children and teach them different gymnastic techniques.

### **Picture Day**

PMP of Sandy Hollow is so excited to tell you that we will be offering Picture Day by Lifetouch! Picture Day will be on Monday, September 30<sup>th</sup>, Tuesday, October 1<sup>st</sup>, and Wednesday, October 2<sup>nd</sup>. Keep your eyes peeled for more information- flyers will be posted soon!

### **Parents Night Out: *Fall Festival***

Friday, September 20<sup>th</sup> from 6-10 pm, we invite you to have an evening out or in; knowing that your children are being cared for by trusted teachers in their comfortable surroundings. We are excited to announce our Parent's Night Out this month will be *Fall Festival* themed! The evening includes snacks, pizza and ice cream. Once full and comfortable, the children will enjoy fun activities and a relaxing movie!

### **A Note From Our Nurse...**

Here at Precious Memories Preschool of Sandy Hollow, our goal for all our little friends is to have happy and healthy days. It is a reality that sometimes children become ill and need to be sent home from school for a variety of health-related reasons. Our school has developed effective policies specifically related to sickness and appropriateness for the return to school. We ask that children not return for 24 hours in cases of fever of 101.0 or greater, vomiting or two cases of diarrhea. Children may return to school after this 24-hour period and symptom free (without using fever reducing medications). We want your children to feel well enough to take part in school activities and it is important to minimize potential contagion exposure to other children as well. We appreciate all of you for working with us to provide as healthy an environment as possible. --Rebecca Stilphen, RN
