Harvest Celebration:

Wednesday, November 24th

We will visit friends in our buddy classrooms, while sharing traditions and reflecting on the season of giving and sharing through music, literacy, art, etc. Classrooms will make a festive art project to exchange with their friends within their own individual classrooms. At lunch we will enjoy applesauce made from scratch by Miss Kelly and a special afternoon snack!

Holiday Food Drive

This year, during the holiday season, Precious Memories Preschool of Sandy Hollow is teaming up with The Old Mystic Fire Department to give back to the community. We are inviting our families to help us in providing Grocery Store gift cards for the Food Drive. By doing it this way, they can limit the number of volunteers needed, to observe COVID guidelines. Some of the stores recommended are Big Y, Stop & Shop, McQuades, Walmart, Target, Amazon, etc. Donations will be handed in on Tuesday, November 16th.

The classrooms incorporate the idea of giving and caring for those families less fortunate than our own. When children learn to give back, they develop a sense of compassion for others and begin to feel part of a bigger community.

Thank you for your support.

Reminders:

- Please notify Administration if your child will be absent for the day.
- **Reminder- if your child is 3 years old and up, they must wear a mask at school. Please provide your own masks for your child.**
- Please note that we are a PEANUT FREE center. We have several severe peanut allergies. Please help us keep our children safe by not sending in any food that is not clearly labeled as peanut free. Children cannot be walking into school with food that is not Peanut free. Please keep in mind many foods that do not have peanuts in them are still processed in a place that contains peanuts. If you have any questions on this matter, please see Administration.
- If you have not had your child vaccinated for influenza, please make an appointment, and provide documentation to the main office. If your child has been vaccinated and you have not brought in documentation, please do so. Documentation must be submitted ASAP, but by January 1st, 2022. Thank you for your cooperation.
