Happy Memorial Day

Stuffed Animal Picnic

On Friday, May 20th, we invite the kids to bring their favorite stuffed animal to school to join their class for a special picnic lunch! The lunch will consist of ham sandwiches, sweet potato fries and bananas, along with a surprise teddy graham treat!

PMP of Sandy Hollow Pre-K Graduation

We are excited to announce that we have decided to go forward with an in-person Graduation! All CT CDC guidelines will be followed and enforced. The date of Graduation will be Thursday, June 16th and a rain date of Friday, June 17th. We will send out an invitation towards the end of May with the number of tickets each family will receive. More details to come!

Butterfly Unit

Our Pre-K kiddo's have started their Butterfly unit! Our young larvae have arrived, and we have begun to create our "Life cycle of the butterfly" center. Our Pre-K students will have many wonderful opportunities to observe, report, feed and care for our friends!

House for Hermit Crab with New England Science and Sailing

On May 18th see, handle, and observe living and non-living specimens while following along with the adventures within the story of House of Hermit Crab by Eric Carle. Learn about animal adaptations, investigate animal behavior, and use magnifying glasses and 2-way viewers for close looks. The story will be read with many breaks in between for investigations. This program includes live animals that are mentioned in the book!

Gentle Reminders:

- As stated in the PMP handbook, we will be closed Monday, May 31st in observance of Memorial Day. We hope all our PMP families have a safe family filled weekend!
- Please make sure your child's cubby has weather appropriate changes of clothes (labeled with their name) and a lighter blanket for rest time.
- Warmer weather is approaching, and we go outside each day as part of our daily routine. If you would like your child to wear sunscreen while at school, please turn in a new bottle of sunscreen to the office.
- Please note that we are a PEANUT FREE center. We have several severe peanut allergies. Please help us keep our children safe by not sending in any food that is not in the original package and clearly labeled as peanut free. If you have any questions on this matter, please see Administration.
- Per the state law, do NOT leave children unattended in the car. If noticed, Administration will schedule a meeting for further discussion.
