Summer Kickoff!

The first day of summer is Tuesday, June 21st!!! We will be celebrating the first day of summer by creating a fun art project, playing games and enjoying a special treat. Let's kickoff summer in the right way!

Alert....

A car's windows act like a greenhouse, trapping sunlight. Cars parked in direct sunlight can reach temperatures from 131 – 172 degrees Fahrenheit. In warm weather, a vehicle can warm to dangerous, life-threatening levels in only 10 minutes. Just a gentle reminder children and pets should not be left unattended in your vehicle.

Gentle Reminders:

- As stated in the PMP handbook, we will be closed on Monday, July 4th. We hope all our PMP of Sandy Hollow families have a safe family-filled day!
- Please make sure your child's cubby has weather appropriate changes of clothes (labeled with their name) and a lighter blanket for rest time.
- Warmer weather is approaching, and we go outside each day as part of our daily routine. If you would like your child to wear sunscreen while at school, please turn in a new bottle of sunscreen. If you choose not to bring in sunscreen, a note from your child's physician is required, along with UV clothing and a hat for outdoor play.
