Christmas

Friday, December 29<sup>th</sup>  
Center Closing at 1pm

Monday, January 1<sup>st</sup>  
Center Closed- Happy New  
Year's

### Science By Lego's

On Monday, November 6<sup>th</sup>, New England Science and Sailing will be joining us for a fun morning filled with Science and Lego's! The children will use their engineering skills for a series of Lego Science challenges. Students can build a mystery animal, construct a working sailboat, or engineer a bridge that will hold a full can of soda!

### Harvest Celebration:

On Wednesday, November 22<sup>nd</sup>, we will visit friends in our buddy classrooms, while sharing traditions and reflecting on the season of giving and sharing through music, literacy, art, etc. Classrooms will make a festive art project to exchange with their friends within their own individual classrooms. At lunch we will enjoy applesauce made from scratch by Miss Julie and a special afternoon snack!

### Holiday Food/Toy Drive

This year, during the holiday season, Precious Memories Preschool of Sandy Hollow is teaming up with Groton Human Services for their Holiday Food and Toy Drive. The main building and the infant building will have baskets out in the foyer area for non-perishable food donations and new (unopened) toys. Donations will start now until Friday, December 15<sup>th</sup>, 2023. *Thank you for your support!*

### Reminders:

- Please notify Administration if your child will be absent for the day.
- Please note that we are a PEANUT FREE center. We have several severe peanut allergies. Please help us keep our children safe by not sending in any food that is not clearly labeled as peanut free. Children cannot be walking into school with food that is not Peanut free. Please keep in mind many foods that do not have peanuts in them are still processed in a place that contains peanuts. If you have any questions on this matter, please see Administration.
- If you have not had your child vaccinated for influenza, please make an appointment, and provide documentation to the main office. If your child has been vaccinated and you have not brought in documentation, please do so. Documentation must be submitted ASAP, but by January 1<sup>st</sup>, 2024. Thank you for your cooperation.
- Please be sure to close all classroom and hallway doors behind you to ensure the safety of our children.
